ABOUT WZZM

WZZM13 abc

WZZM 13 signed on the air on November 1, 1962 from a banquet room-turned studio at the former Pantlind Hotel in Downtown Grand Rapids.

WZZM 13 moved to its current home 3 miles north of downtown Grand Rapids in 1971, and in the following years became a formidable force in the Grand Rapids market with news and local programming.

In the 1990s WZZM 13 was purchased by Gannett, a leading media company, which has allowed WZZM 13 to provide West Michigan with top news content from numerous Gannett properties such as USA Today and local daily newspapers.

In 2000 WZZM 13's website was launched, providing West Michigan with a convenient way to access accurate and timely information. Every month, nearly 1 million unique visitors come to wzzm13.com for news, weather, and other local content.

In 2015 WZZM 13 became part of TEGNA, a new company spun off from Gannett. TEGNA's mission is to deliver highly relevant content—when and how people need it—to make the best decisions possible.

Today, WZZM 13 continues to be a news leader in West Michigan on a multitude of media platforms. The one constant throughout WZZM 13's entire 50+ year history is our commitment to serve the local community. Our tradition of service and innovation continues in the 21st century. We are determined to make WZZM 13 the number one choice for news, information and entertainment programming by working for and caring about our viewers, employees, advertisers and shareholders.

We are WZZM 13. On Your Side.
